Notification

No. 1-1-83/PLG(SFYP)

The Administrator of Goa, Daman & Diu is hereby pleased to appoint Working Groups for undertaking indepth analyses in different areas for the formulation of Seventh Five Year Plan. The composition of the Working Groups with subjects to be dealt with by each Group shall be as per Annexure 'A'. Each of the Working Groups may co-opt any non-officials and the experts in the field, as members of the respective Working Group.

2. The terms of references of Working Groups shall be as follows:

- 1) A detailed status review and re-appraisal of each ongoing projects/programmes/ schemes, together with detailed time schedules and financial requirements for the continuing projects/programmes/ /schemes. The review will set out clearly the objectives that were stated for it, how far these have been achieved, and what is expected to be achieved if it is proposed to be kept on going. This will establish the quantum of 'spill-over schemes'.
- 2) Identification and quantification of the gaps between levels of capacity created and utilisation already achieved/expected to be achieved by the end of the Sixth Plan, and in cases of significant under utilisation of capacity, measures proposed for increasing capacity utilisation to normative levels, and the resources required for that, material, manpower and financial.
- 3) Identification of potentials for further development sectorally and spatially. Trends of development and the evaluation of on going policies, programmes and activities to be critically reviewed, including that of administrative/institutional capabilities, as well as intersectoral linkages to support any change in priorities or directional emphasis, or alternative policy approached that may be suggested.
- 4) Measures required to improve the productivity/efficiency of all investments that have already been made sectorally/areally/programmewise/schemewise. Where instruments for measurement of productivity/ /efficiency of investment have not been drawn up, these have to be drawn up.
- 5) A clear prioritisation of projects/programmes/schemes so that when the inevitable pruning has to be done, the candidate projects/programmes/schemes can be easily identified for pruning.

6) A clear indication of the time-frame required for investigating in detail projects/programmes/schemes which need to be taken up, according to the proposed developmental priorities in the Seventh Plan, given that poorly investigated/planned projects and programmes/schemes constitute open ended commitments of resources which seriously eat into financial and other resources; considerably discrimination to be observed in proposing any new projects/programmes/schemes not properly investigated or worked out in detail.

3. The Working Groups shall hold as many sittings as necessary and shall submit their report to Government by the end of March, 1984.

4. The non-official members will be entitled to draw T. A. and D. A. for attending the meetings of the Working Groups

(Before Dr. Renato de Noronha, Hon'ble Presiding Officer)

Application No.: LCC/12/78

1. Shri Emerico Jose Sequeira — Applicant
V/s.

1. M/s. Pandurang Timblo Industries — Opponent
Applicant represented by Shri George Vaz, Union Leader.
Opponent represented by Shri P. K. Lele, Labour Advisor.

Panaji. Dated: 24-11-1983

AWARD

This is an application filed by the above applicant against the above opponent, claiming from the latter his salary of August 1969, at the rate of Rs. 332/-, 11 days of September amounting to Rs. 30/-, bonus, leave salary, gratuity and other dues, as per the Rules.

2. The employer, in its written statement, raised some preliminary objections regarding the maintainability of the application and the jurisdiction of this court to entertain it, and, on merits, contended that the applicant resigned from services with effect from 16-1-1972 and was paid all his dues towards full and final settlement, including his wages for August 1969 and 11 days of September. He was also paid bonus for the years ending 31-3-1971 and 31-3-1972. The applicant was in the services of the Opponent from 3-10-1967 till 16-1-1972 and has not completed the qualifying services entitling him to gratuity. He was not governed by the Gratuity Act at the time of his resignation. He has enjoyed all the leave at his credit and, as such, the question of payment of leave salary does not arise.

3. In his rejoinder, the applicant has stated that he rendered services from 3-10-1967 to 16-2-1972 as Khalasi on the barge of the Opponent. He is entitled to gratuity, bonus, leave pay, shorthand money, amount for the extra work — (one week per month). On 18-5-1971 he proceeded on leave and had to return on 2-6-1971. He returned on that date but was not allowed to work and was kept idle for 8 months and without pay. He had no alternative but to submit his resignation to get a certificate so as to join other company. The Manager, Mr. Albano Souza, threatened the applicant that he would cause him trouble and, because of this, he is being ill-treated.

4. The Opponent filed further statement amending certain averments made in the previous statement. In this amended statement, he has stated that the applicant was absent during the whole month of August, 1969 to 8th September 1969 and, as such, he is not entitled to get any wages for that period and that the applicant was in service of the Opponent from 3-10-1967 till 16-1-1972, date on which he tendered his resignation.

5. The applicant replied to this amended statement, stating that he attended daily during the month of August till 8th September 1969 but was not given a chance to perform his duties; that he has not been paid wages from June 1971 to 16-1-1972 and that he resigned on 17-2-1972 and not on the date shown in the amended statement.

6. Following issues were framed by my Ld. Predecessor, Dr. Coelho:

- "1. Does the Opponent prove that this Application is not maintainable as time barred?
2. Does the Opponent prove that the Wages for the months of August and September, 1969 have already been calculated by the Applicant and therefore the matter fall within the purview of Sec. 33-C(1) of the I. D. A.?
3. Does the Opponent prove that this Court has no jurisdiction to entertain this Application since the Applicant was a Port and Dock Worker coming under the jurisdiction of the Central Industrial Tribunal?
4. Does the Opponent prove that consequent to the resignation of the Applicant with effect from 16-2-1972, he has been paid all his dues?
5. Does the Opponent prove that the Applicant has been paid Bonus for the years ending on 31-1-1971, 31-3-1972 respectively on 14-1-1972 and 29-12-1972?

6. Does the Opponent prove that the Applicant is not entitled to Gratuity since he has not completed the qualifying service for the purpose?

7. Does the Opponent prove that the Applicant has availed of his Leave and there is Leave Balance to his credit?

8. Does the Applicant prove that he is entitled for the following amounts: —

1) Salary of August, 1969 — Rs. 332/-.

2) Salary for 11 days of September 1969 — Rs. 30/-.

And what are the amounts actually due to him of Bonus, Leave Salary and Gratuity?"

7. The applicant led his own evidence and the Opponent examined Shri Albano Souza, who was looking after the barges of the Opponent.

8. The applicant, in his statement before this Court, has stated that he joined the Opponent on 3-10-1967 as a Sailor (Khalasi). In 1969, there was a strike in the month of May which lasted for 3 months. The Government announced in the papers that the staff should resume work on 31-7-1969. Accordingly, he went to resume work but was not allowed to resume except on 11-9-1969. After he resumed, he was not paid for one month and 11 days during which he was not allowed to work. He went on leave on 18-5-1971 for 15 days; after his leave was over, he returned for duty but was not allowed to resume and in this condition he remained for 9 months; he was so desperate that he submitted his resignation on 16-2-1972, on the understanding that he would be given clearance in all the past period but the Management did not pay except Rs. 138/- which constituted his weekly offs; then he approached the Labour Commissioner and, on his advice, filed this application before the Labour Court. In this application, he has claimed his salary of August 1969 amounting to Rs. 332/-; salary of 11 days of September equivalent to Rs. 30/-, bonus for the year preceding his resignation; leave salary of one month which was at his credit and gratuity as per the Barua Award. His pay at the time of resignation was Rs. 332/-. The leave of 15 days he has enjoyed was of his accumulated weekly offs.

In his cross, he has stated that, as per the attendance register of May 1971 (Exh E-1) shown to him, he is marked present upto 18th May and thereafter on weekly offs; in Exh E-2, attendance register for June 1971, he is shown on weekly offs upto 10th and then on leave; in the month of July (Exh. E-3) he is shown as on leave upto 14th July and then on weekly offs upto 20th July and then absent. He has identified his signature on the voucher Exh. E-4 attached to the pay sheet and stated that he received Rs. 232-97 towards his May Salary. As per this voucher he was paid for 31 days. He has identified his signature on the voucher Exh E-5, colly attached to the pay sheet of June 1971. He was also paid Rs. 10-11 shorthand money for the month of May 1971; it was paid as advance and afterwards deducted (Exh. E-5 colly.); he has acknowledged his signature on the pay sheet of July 1971, Exh E-6. In this pay sheet he was paid Rs. 142-19 for 20 days. The Company used to maintain leave record cards of the staff and he was shown the leave record card for the year 1971 (Exh E-12). As per this card the leave balance and weekly offs in his favour as on 1-1-1971 were 23 days and 40 days respectively. He has identified his signature on the register under Payment of Bonus Act, Exh E-7 where his name appears under serial No. 7. As per this register, he was paid Rs. 111-66 for the year ending 31-3-1971; he has also identified his signature on the payment voucher Exh E-8 by virtue of which he was paid Rs. 102-11 on 29th December 1972 as Bonus for the year 1971-72. In 1969, there was a strike of the barge crew which lasted for 3 months. Before going on strike he was working on the barge 'Pagatime 8'; in the month of September 1969 he was put on the barge 'Motibai'. Shown the attendance register for barge 'Motibai' for the month of September, Exh E-9, his name appears under serial No. 9 and he is marked present from 10th September. The strike in the year 1969 was called off on 31st July; he went to resume work on 1st August to the Margao Head Office. One clerk by name of Asoldekar called him on the next day as the labour Officer was not in the office; he again went to the office on a date he does not remember and got the same reply; on 1st September he went to the Head Office and one clerk by the name of Albano gave him a note to resume duty. With this note he resumed work on the barge 'Motibai'. He used to go to the Head Office everyday asking for work. There is Company's Office at Vasco; the barge crew has to go to Vasco Office to report for work; Albano's Office is at Vasco; Albano is sometimes at Vasco and sometimes at Margao Head Office. In the muster roll of July (Exh E-10) only 6 crew members are marked present out of which one

T. Pereira was present from 1st, Babuso from 8th and Pagi from 25th. In the muster roll of August Exh E-11, 12 persons are shown as present and from 1st August. It is true that, after the strike was over all the barge crew did not resume duty on the same day; as and when they reported, they were asked to resume duties. He has denied the suggestion that he did not report for duty till 9th September 1969. He has further denied that, after the strike was over, the barge crew had to report for duty at Vasco Office. He said that they had to report at Margao Head Office. He did not work in the month of June 1971 and also in the month of July 1971. Although he was on leave on 10th May 1971, he was paid full salary for May and June and 20 days for July. It is true that this pay was for weekly offs and leave.

9. The employer has led the evidence of Shri Albano D'Souza, who was looking after the barges of the Opponent/Company. He has stated that, after the strike ended, all the barge crew did not resume duty on the same day. As and when they reported, they were asked to board the barge. He used to show the attendance of the barge crew on the muster roll. As per Exh E-9, the applicant is marked present for 9th September. Had he reported for duty earlier, he would be allowed to resume duties. The applicant did not come to see him in his office before 9th September. The barge crew are supposed to report for work in his Vasco Office. Earned Leave was given to the applicant in the months of June and July 1971. As per Exh E-12 all leave and weekly offs that were due to the applicant were availed of by him upto July 1971. He has denied the suggestion that, after the applicant came to him to report for duty, he sent him away.

10. This is all the evidence on record.

Issue No. 1 to 3 concerning the maintainability of the application and jurisdiction of this court have not been pressed by the opponent and, hence, they are dropped.

11. Let us consider, therefore, the merits of the application. The applicant has claimed his salary for August 1969 amounting to Rs. 332/- and salary for 11 days of September amounting to Rs. 30/-, plus bonus, leave salary, gratuity and other dues as per the Rules.

It is an admitted fact that the applicant joined the Opponent Company on 3-10-1967 as a Sailor (Khalasi). Exh E-4 colly. and Exh E-5 show that the applicant was paid his salary for the months of May and June 1971 at the rate of Rs. 232/97 per month. The applicant, in his cross, has admitted that, after the strike was over, all the crew members did not report for duty on the same day and that, as and when they reported, they were asked to resume duties. Exh E-9 is the muster roll for the month of September 1969 on the barge 'Motibai', where the applicant was working. This exhibit shows the applicant as present from 9th till the end of the month. Exh E-11 is the muster roll of 'Motibai' for the month of August and the name of the applicant does not appear there among the crew members. Similarly, Exh. E-10 is the muster roll of 'Motibai' for the month of July 1969 and the name of the applicant also is not mentioned. The allegation of the applicant that he went to Margao Office to resume duty on 1st August is not proved at all. Albano Souza has stated that the Barge Crew are supposed to report for work at their Office at Vasco, which statement is confirmed by the applicant in his cross and, therefore, the applicant ought to have reported in time at Vasco Office, in case he wanted to resume duties on the 1st of August. Exh E-12 produced by the Opponent shows that the applicant has availed of all the leave and weekly offs at his credit during the year 1971. Exh. E-5 colly. read with Exh. E-12 shows that the applicant although not present during the full month of June 1971 and July 1971, was paid full salary for the month of June and 20 days for July, in view of the leave and weekly offs at his credit. Therefore, the applicant is not entitled to claim any further amount in respect of his leave and weekly offs, which have been fully availed of by him. He is also not entitled to any salary for August and September 1969 since he was absent during August till 9th September and had no leave or weekly offs at his credit, as stated above.

12. Regarding bonus, Exh E-8 shows that the applicant has been paid for the year 1971-72 and, hence, he is not entitled to claim further amount in this count.

13. Regarding gratuity, the applicant has not proved that he is entitled to the same under the law in force.

14. In view of all that has been stated above, I dismiss the applicant's application. In the circumstances of the case, I leave each party to bear its own costs.
